MEETING PLANNER GUIDE

SUNNY GREETINGS!

Fort Myers' islands, beaches and neighborhoods have a way of leaving a lasting impression. We invite you to let our natural surroundings inspire creativity and innovation that will impact your attendees for years to come.

Just a short drive from major Florida cities and minutes from Southwest Florida International Airport (RSW), our relaxing destination includes over 100 islands, 50 miles of white-sand beaches, and a variety of meeting venues that can accommodate groups large and small.

Bring your clients, colleagues, and friends together in a place that naturally improves performance. Schedule a group kayaking excursion to encourage teamwork. Attend a cooking class to inspire creativity. Hold a meeting in an open-air venue to encourage fresh ideas.

We invite you to discover everything that our destination has to offer, and we'll help you plan your most productive session yet. Learn more at [MeetinFortMyers.com](https://www.MeetinFortMyers.com) or email our team directly.

Don't forget to follow us @VisitFortMyers on Facebook, Instagram and Tik Tok, and use the #MyFortMyers hashtag on all your posts when you're here so we can engage with you.
